

Exploring Nevada's Cowboy Country Territory?

If you are healthy, yes.

Cowboy Country Territory is slowly and responsibly opening more and more businesses and attractions. We do not want to jeopardize the health and welfare of our residents and guests to our communities. People who are coming to our territory should be practicing social distancing, not gathering in groups, wearing masks and staying six feet apart from people you don't live with.

Come as a guest and leave as a friend! Enjoy Exploring Nevada's Cowboy Country Territory. Please, if you are experiencing any symptoms of CoVid-19 stay at home and do not put others at risk.
